2008

**Overall Newspaper Contest
Registration (FORM N1)**

2008

Submit three separate issues of your newspaper published after August 2007. If your school has fewer than three issues available by March 28, 2008, send what you have, being sure to note this in the form below. (Overall newspaper judging and newspaper critiques are done separately. Please make sure that each competition has its own set of newspapers.) Judging categories will be determined based on information provided below.

Please include one extra issue marked "FOR DISPLAY" so we may display participating publications at Press Day. Also, please bring extra copies on April 29 for exchange among TCJA schools.

This sheet goes directly to the judges and will give them a complete picture of your publication.
